

## **Prestige Plumbing Werks Acquires Canny Plumbing and Heating in Strategic Merger**

January 1, 2025 - Litchfield County, Connecticut: Prestige Plumbing Werks is proud to announce the successful acquisition of Canny Plumbing and Heating, a renowned local plumbing company, effective January 1st, 2025.

The decision by Canny Plumbing and Heating to choose Prestige Plumbing Werks as its successor was made with great care and consideration. Recognizing Prestige Plumbing Werks' impeccable reputation, commitment to quality workmanship, attention to detail, and dedication to providing exceptional customer service, Canny Plumbing and Heating saw a perfect alignment of values and service standards.

Ben Canny, founder of Canny Plumbing and Heating, wanted to ensure that his valued clients would continue to receive the same personalized attention and care that they have always experienced. In choosing Prestige Plumbing Werks, a fellow local small business known for its commitment to excellence, Ben was adamant about entrusting his business to a company that shared his dedication to customer satisfaction and service excellence.

"We are honored and excited to carry on the legacy of quality service and exceptional customer care that customers have come to expect from Canny Plumbing and Heating," said co-owner Shea Roberson from Prestige Plumbing Werks. "We are deeply committed to upholding the high standards set by Ben Canny and his team, and we look forward to serving our expanded family of clients with the same level of professionalism and reliability."

Ben Canny expressed his full confidence in the team at Prestige Plumbing Werks to continue providing exceptional service to his clients. "I am confident that Prestige Plumbing Werks will uphold the standards of excellence that define Canny Plumbing and Heating and continue to deliver top-notch service to our valued customers," said Ben.

The acquisition of Canny Plumbing and Heating signifies a strategic merger that combines the best of both companies - a shared commitment to quality service, customer satisfaction, and attention to detail. Prestige Plumbing Werks and Canny Plumbing and Heating clients can expect a seamless transition and continued excellence in service delivery.
